SOCCER

Dear **Parents,**

Greetings from the MRSA family!

Hope our players and you all are doing well! This pandemic drifted us apart and has kept us confined to our homes. While the government provided its consent to open up the sports complexes from June 1,2020, we didn't, as we wanted to analyze and equip ourselves thoroughly before opening the gates to Manav Rachna Sports Academy to you. We understand the concerns of all parents and so have made the safety of our athletes our priority. With measures of safety and security in place, we have decided to open the academy from Oct 5,2020 for players 10 years and above only. Please find below the batch size and timings for the sports. We are operational but with limited players, while adhering to all the necessary and critical safety requirements.

Badminton:

Batch Size: 12 Athletes

Batch Timings:

Batch 1 : 3:15 PM - 4:30 PM

Batch 2: 4:45PM - 6:00 PM
